AILU Annual Report 2011/12

Summary of activities

Workshops

7 November 2012

Latest advances in laser processing for micro and nano-scale manufacturing

Venue: Rutherford-Appleton Laboratory, Didcot Chair: Jon Blackburn (TWI)

Attended: 54

23 October 2012

Job Shop 2012? Life in a double-dip economy: investing in new equipment?

Chair: John Powell (Laser Expertise) Venue: JCB World Headquarters

Attended: 54 16 May 2012

Innovations in manufacturing: Leading-edge laser materials processing applications

Chair: Lin Li (University of Manchester) Venue: AMRC, Rotherham

Attended: 38 29 March 2012

Lasers lead the way in additive manufacturing

Chair: Rob Scudamore (TWI) Venue: MTC, Coventry

Attended: 75

Exhibition stands

16-20 April 2012 *AILU Pavilion at MACH2012* NEC, Solihull

12-14 June 2012 LASYS 2012 Stuttgart, Germany 12 September 2012 Micronora (Laser ZOOM) Besancon, France

12 September 2012 MM Live NEC, Solihull

Events with active AILU representation

21 February 2012	BIS 2-day LMP Workshop	Farnham, Surrey
29 May 2012	SEPNET fibre laser meeting	Southampton
21 June 2012	IoM ³ Additive Manufacturing Workshop	London
26 June 2012	IMRC Conference 2012	Edinburgh

Publications

The Laser User Magazine (Issues 64, 65, 66, 67) Quarterly

The AILU Newsletter (Issues 40 – 51) Monthly Product and Services Directory 2012/13 April 2012

August 2012 Towards a Strategy for Laser Materials Processing in the UK

Internet

New ILAS 2013 Web site

Improved AILU web site services including:

- Credit card payments for new members and for workshop registration;
- Improved email notifications on the member forum;
- Constant log in to the members' area;
- Improved organisation of material in the members document library.
