

UMIC Events: Core Technology Facility

Conference and Events Facilities

UMIC's
outstanding facilities
for conferences,
events and meetings

Flexible, adaptable facilities for events and meetings of all sizes

Conferencing & Events

UMIC - The University of Manchester Incubator Company - has a unique range of modern and versatile facilities within its Core Technology Facility (CTF). Located adjacent to Manchester's biomedical activities and close to the vibrant city centre, the CTF offers an impressive and spacious setting for your event.

A focal point for the facilities is the striking Street area, an ideal setting for delegate registration, informal breakout & networking events, drinks receptions and exhibitions.

The impressive Egg conference room and variety of meetings accommodate large lectures to smaller workshops.

Hickman's Restaurant offers an alternative breakout option for meals and refreshments. This venue is also available for events.

The Rooms and Services

The Meeting Rooms can be set out in Lecture, Board Room or Workshop style.

Lecture

Seating arranged in rows facing the presentation screen.

Boardroom

Seating arranged around board table.

Workshop

Seating arranged either around tables or in groups, as required.

Networking

Refreshment tables & chairs as appropriate.

Audiovisual Equipment

All rooms have integrated media screens, overhead projectors, telephone, data and wireless internet connection. The Egg also has a media wall, DVD, video and satellite TV. All standard AV equipment is included in the room hire price and IT support is available as an optional extra.

Catering and Accommodation

We can arrange catering on your behalf, working with you to discuss your requirements, with our own on-site caterers. Menus available on request.

Core Technology Facility Layout

The Street

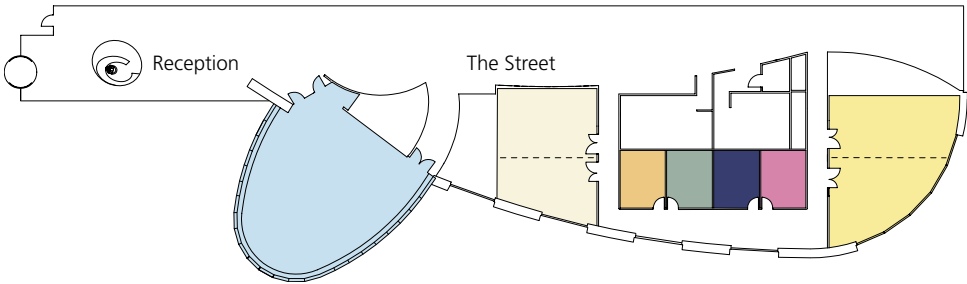

Ideal setting for delegate registration, informal breakout & networking events, drinks receptions and exhibitions.

Board Room
